## Volunteering

### Senior Class Photo / Drone Pilot, Photographer

April 2018, North Bend, OR

Flew a DJI Phantom Advanced and worked with the North Bend Class of 2018 to take their senior class photo. The photo was shown within the graduation papers, the senior slideshow, and framed with all the seniors' names.

### Coos Resource / Main Website Designer/ Presenter

May 2016 - September 2018, Coos County

Part of the creation of the Coos County main resource website. This website includes local shelters and community hotlines. Through this he has worked with local human services like County Juvenile, Bay Area Hospital and OYA.

### Coos History Museum / Head of Lecture Filming

December 2017 - PRESENT, North Bend, OR

Films the local Coos History Museum First Tuesday Lectures. These lectures are of local history in the Coos County area and are uploaded to their website (cooshistory.org) for anyone who missed the main lectures.

### 40k School Grant / Wrote a Short Response

February 2018, North Bend, OR

Represented his school for the Career Pathways 40k, a grant to help students gain exposure to professional grade equipment and offer a starting point in producing films that will help improve their resume or portfolio. He did a write up about how he has used the resources from his school to help him gain a footing in media production.

### Coastline Meeting / Teen Voice

August 2017 - PRESENT, North Bend, OR

Speaks at Coastline meetings when a teen voice is needed. These meetings are monthly and cover problems and resolutions among teens within his local community. These problems include teen depression, homelessness and drug use.
